Dear Parents

Happy holidays with our little darlings!!!

We, at DAV Meerut, are going to miss our little bundles of energy and will be waiting to have them back filled with joy, health and energy.

Please allow the child to observe explore and find his/her own solutions so that they enjoy doing their work. Learning has to come from within and we as educators and parents have to ignite this curiosity and facilitate self discovery and self learning. Let us together fill their wonder years with golden moments.

The worksheets will help children develop their skills and enhance the values imbibed in them.

Let every moment of this vacation be a time to unite, connect and enjoy beautiful moments with your child.

Thank You

Regards

Dr. Alpna Sharma
