Dear Parents

Happy holidays with our little darlings!!!

We, at DAV Meerut, are going to miss our little bundles of energy and will be waiting to have them back filled with joy, health and energy.

Please allow the child to observe explore and find his/her own solutions so that they enjoy doing their work. Learning has to come from within and we as educators and parents have to ignite this curiosity and facilitate self discovery and self learning. Let us together fill their wonder years with golden moments.

The worksheets will help children develop their skills and enhance the values imbibed in them.

Let every moment of this vacation be a time to unite, connect and enjoy beautiful moments with your child.

Thank You

Regards

Dr. Alpna Sharma
Principal

Summer Holiday Assignment for Class Nursery (2018-19)

*Time for some holiday fun,
Time for some play,
Summers are the time to chill,
And play a lot with clay,
Castles in the sand for sure,
Sun block would be the only cure,
In the summer's heat,
Happy summer season!*

Dear Parent,

Summer Vacation is a welcome break... It's time to enjoy and relax but it is also the time when the child needs to spend a lot of time indoors. For keeping the children busy and at the same time helping them to improve their concentration, build their confidence and promote independent learning, We hope the home work and the activities will be interesting for the kids. we have planned some activities / projects for your child to enhance his / her learning skills in a fun filled way. To encourage your child's self esteem and feeling of competence, help your child discover his / her hidden talents and interests. Keeping the same objective in mind we have divided the homework into two different categories.

- 1.The first category is the one which can be done with your children at home so that you have the opportunity to spend some quality time with them and can be informative and interesting at the same time.
- 2.The second category would have the projects and formal work which can be helpful for the little ones.

Tips for children for the summer break
