SUMMER HOLIDAY HOMEWORK 2024-25

CLASS VIII

ENGLISH:

1. READING and WRITING SKILLS (Any two)

Read Unit 1 and 2 from **My English Reader Book**. Based on your reading of the units

choose Any Two Real-Life Situations for Writing Assignments.

(The word limit should not exceed more than 120 words)

Situation 1: Your school organizes a cleanup day, but many students spend more time taking selfies than cleaning. Write about how this shows self-centered behavior and suggest ways to encourage more community involvement.

Situation 2 : A student spends hours daily on social media, leading to poor grades and anxiety. Write about how media affects teenagers, using this example, and suggest ways to balance screen time with other activities.

Situation 3: A student volunteers at a local animal shelter, helping to care for the animals. Write about how this act of kindness shows good character and share other examples of good deeds.

Situation 4. You help an elderly neighbour with chores and errands. Write about the importance of caring for the elderly and how it benefits both you and them.

2. PROJECT BASED

A newspaper is a periodical publication containing written information about current events and is often typed in black ink with a white or grey background . Let's enjoy our summer vacation by making a ***Colorful Newspaper of our own*** .You can collect/ paste pictures and write information about :
