A memory that will never fade
Vacations are always Fun

Dear Parents,

We wish you and your child a very happy summer holiday. It's time to enjoy and create a bond with family, friends and relatives. To utilize this time in the most constructive way we have prepared Holiday Homework for the students on the principle of 'learning by doing' for their holistic development. Summer vacation comes wrapped with an amazing opportunity to spend time with your children and get closer to them.

Here are some steps which will help you to give your child core values for life:
