Summer Holiday Assignment Class Nursery (2024-25)

*Summer time is here!
I'm letting out a great cheer!
Sunshine and flip flops,
Ice cream and tank tops.
Summer time is here!
Let's all give a great cheer!
Swimming and trips to the park,
It's late in the night when it gets dark.
Summer time is here!
Let's all give a great cheer!*

Dear Parent

Summer Vacations are just around the corner. To keep our little ones indoors in the sweltering heat and to utilize their time with constructive and creative activities, we have planned some activities / projects for your child to enhance his / her learning skills in a fun filled way. To encourage your child's self-esteem and feeling of competence, help your child discover his / her hidden talents and interests. Keeping the same objective in mind we have divided the homework into two different categories.

1. The first category includes activities that can be done at home with your children providing you with the opportunity to spend some quality time together and enable your child to gain information while remaining interested children learn through experiences and play.
2. The second category consists projects and formal work that can be helpful for the little ones.
