SUMMER HOLIDAY HOMEWORK (2024-25)

CLASS IV

ENGLISH

1. READING AND WRITING SKILLS

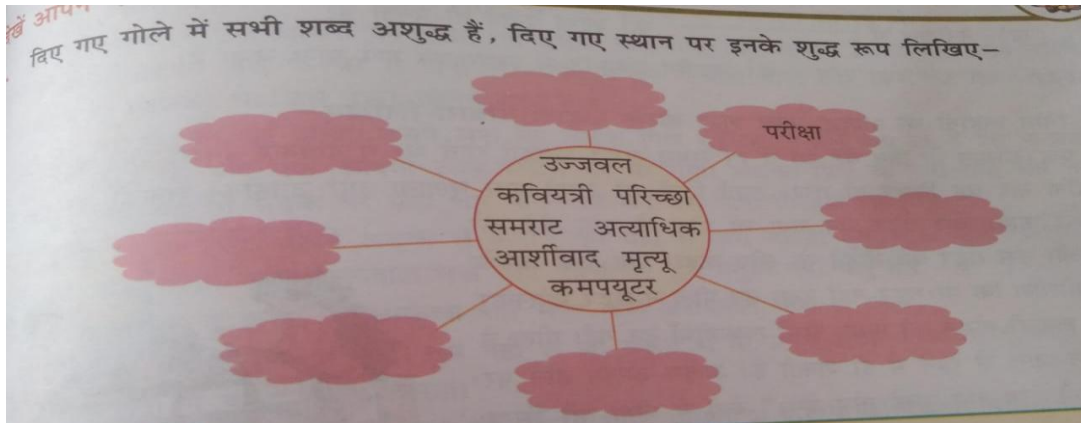

It is important for a person to be healthy. Include all vitamins and minerals in your diet. Eat green vegetables and see how your performance in games improves. Make a chart showing the difference between healthy food and unhealthy food and also write a short note on 'Health should be given more importance over wealth' taking reference from chapter 'Health is Wealth' from The 'Essence of Life'.

2. PROJECT BASED (Unleash Your Creative Vision)

Make a family flower on an A4 size sheet. In the centre of the flower, paste your photograph. Make as many petals of the flower as the number of your family members. Paste a photograph of each member on each of the petals and write a few lines about the love and care they give to each other.

HINDI

MATHS

- **FLASH CARDS OF TIMES TABLES (11-20):** Make multiplication tables flash cards according to roll numbers allotted as per the pattern given below

$$11 \times 10 = 110$$

$$12 \times 7 =$$

ROLL NUMBER	TABLE ALLOTTED	ROLL NUMBER	TABLE ALLOTTED
1-4	11	21-24	16
5-8	12	25-28	17
9-12	13	29-32	18
13-16	14	33-36	19
17-20	15	37-42	20

- **PUZZLES :** Solve the Broken Calculator puzzle as per the given instructions:

Your calculator is sadly broken. None of the buttons work apart from the 4, 7, +, -, and = buttons. Don't get disheartened as you are smart and can still make the numbers from 1-20 by using these four working keys.

Example: $9 = 4 + 4 + 4 + 4 - 7$
