

SUMMER BREAK HOLIDAY HOMEWORK 2025-26

CLASS - 3

Dear Students,

As we step into the summer break, we encourage you to make the most of this time—relax, recharge, and enjoy time with your family and friends. Alongside the fun, your holiday homework is designed to keep your minds active and help you revise what you've learned.

Approach each task with curiosity and creativity. Don't rush—spread it out over the weeks, and do a little each day. While you are working on your assignments, also take time to explore your hobbies and discover new interests—summer is a great opportunity to grow in all directions!

Wishing you a joyful and productive summer!

Stay safe, stay curious, and have a wonderful break!
