## Summer Holiday Assignment for Class L.K.G. (2023-24)

*"As the holiday have begun  
Its time for us to have some fun  
It is time to read some amazing book  
And help our mumma to cook  
We will make new trends and play lot of games  
Spend time with them and know their names  
We will sleep on time and rise with the bright sun  
As the holidays have begun  
Its time for us to have some fun."*

Dear Parents,

It's a holiday time once again! The time we all look forward too. Summer vacation are a fun time to be spend with family and friends. So let your kids enjoy with family and friends. To encourage your child's self esteem and feeling of competence, help your child discover his / her hidden talents and interests.

**Here are some steps which will help you to give your child important values for life:**

1. Teach your child to wait for their turn to speak and not to interrupt when you are speaking. Make sure that when you are done, you give the child your full attention. Children learn by seeing, so show them to respect others by respecting others, yourself.
2. Set the table for a family dinner, using proper dishes and cutlery. Place the forks on one side of the plate, and the spoons and knives on the other. Add a napkin and a glass, and place them in their proper position. Use the proper utensils as needed, as well as the napkin. They will follow your lead and will make you proud when you take them out to eat at a fancy restaurant.
3. Tell them the most important table manners a lot of times: Napkin on the lap, elbows off the table, and not to eat with your mouth open.
4. Teach your child to say 'thank you' by having them hear you say it. No matter how young they are, never forget to say 'thank you' to them each time they hand you over something, even if it is their bottle.
5. Always say 'please' each time when you ask something from your child. Children learn by what they see and hear by their parents. A hug and kiss by you, will make sure that they always remember to say that word.

### ACTIVITIES FOR PARENTS
